

Aspire Credit & Collections Service

POWERED BY ALTUS RECEIVABLES MANAGEMENT

Reduce risk and increase cash flow for your business with credit reporting and receivables management services.

Knowing when and when not to extend credit terms is nearly impossible without clear insight into a customer's payment history. Likewise, staying on top of accounts receivable to ensure steady cash flow is challenging, particularly when your staff and resources are limited.

Fortunately, Altus can help you reduce risk, clean up receivables, reduce unpaid debt, and improve aging.

These valuable, time-saving services can help alleviate the burden on your current accounting team, freeing up valuable time while improving the health of your accounts and increasing cash flow—without the need for additional staff.

Even better—as an Aspire client, you can also take advantage of perks like free credit reporting samples and collections on a preferred-contingency basis.

Improve profit recovery by confirming creditworthiness and streamlining collections.

Make informed decisions that increase opportunity and mitigate risk.

Determining when you should—or shouldn't—extend credit terms can help you grow your business while keeping financial risk to a minimum. With Altus Business Credit Reports you can access high-level insights from leading credit reporting agencies about potential customers..

Equipped with this information, you can make confident, responsible, credit decisions. As an added plus, there's no annual subscription or minimums to use the service. You simply pay for the reports you need when you need them.

Optimize receivables and speed up collections.

From functioning as your off-site receivables team to acting as your third-party collector, Altus can help resolve your A/R challenges.

As your first-party collections service, Altus can help shorten your days sales outstanding (DSO), reduce bad debt and write-offs, help correct billing issues, and more.

Supported by ARM STRONG™, the industry's most advanced collections data analytics system, Altus can also act as a third party on your behalf to help recoup your most troublesome debts.
